

At Rare Patient Voice, we're always on the lookout for patients and family caregivers!

We can help your voice be heard, and you get paid for it! Researchers and companies want your input as they develop new treatments, medications, and devices to improve lives.

- ✓ **100,000+** patients and family caregivers in the RPV community worldwide
- ✓ **100% confidential!** your name is never shared
- ✓ **\$120 per hour** paid to patients and family caregivers for completed studies
- ✓ **\$10,000,000+** paid to patients and family caregivers for participating in research since 2013

Patients and Family Caregivers Share About RPV

"It is satisfying to know I can do my part to help get feedback to companies about our rare disease." — ANGELA

"The process was very easy and I felt as if my opinions were valued." — LISA

"I enjoyed being the "expert" and being able to share some of my son's story and our experience." — ABBIE

"I love the way this organization treats me." — MARIAN
